

Discover Rural Nursing in Wyoming County!

“Rural nurses are able to utilize all their skills (plus more)! Nothing goes ‘stale’ in a rural facility. I enjoy the challenge of learning new things and maintaining skills which enable me to provide more advanced care. I’ve never felt ‘burned out’ because I never do the same thing from one day to the next.” Rebecca Noon RN

Nursing at Wyoming County Community Health system provides the unique opportunity to work in a rural community hospital with competitive wages, opportunities for professional growth, and the ability to work in a friendly, family oriented environment. Reward and recognition for expertise in clinical practice, education, and performance improvement are the fundamentals of the clinical ladder program. Nurses are empowered to seek educational opportunities and advanced training in the workplace for clinical advancement.

Become a member of the best rural nursing team in health care!

*“When you become a WCCHS nurse, you can experience it all.”
Heather Treadwell, LPN*
