Wyoming County Native Joins Medical Staff at Wyoming County Community Hospital

Warsaw, New York, April 15, 2014 – Wyoming County Community Health System (WCCHS) today announced that Dr. Lindsey Clark has joined its medical staff as an orthopaedic surgeon. Dr. Clark who is a Board Certified orthopaedic surgeon with UBMD Orthopaedics & Sports Medicine was born at WCCHS, brought up in Bennington, NY and graduated from Attica Central School. She will be providing support for WCCHS Emergency Department orthopaedic needs as well as providing services in WCCHS's new Orthopaedic Specialty Services Clinic. Dr. Clark joins orthopaedic surgeons Dr. Paul Mason, Dr. John C. Karpie and Dr. Paul Lapoint who recently joined the staff at WCCHS and will also be providing services in the WCCHS Orthopaedic Specialty Services Clinic.

"The addition of Dr. Clark to our staff is another positive step for WCCHS and the healthcare needs of our area and we are especially excited for the community in light of Dr. Clark being born at WCCHS and brought up in the county," stated CEO Donald Eichenauer.

About Wyoming County Community Health System

Wyoming County Community Hospital is a rural, acute-care facility located in Western New York. It is the sole inpatient provider for the county, which has a population of approximately 43,000. In addition to an Acute Care Hospital, its services include an attached Nursing Home and Inpatient Behavioral Health Unit. Wyoming County Hospital has approximately 3,000 inpatient admissions per year and 12,000 ED visits per year.

Our mission is to provide outstanding healthcare services and to have a positive impact on the health of our rural community. For more information, visit www.wcchs.net.
