

The most rewarding job in town

Become a volunteer

Since 1953, WCCCHS Auxiliary volunteers have given so much to our hospital. They're a special group of people who generously donate their time and talents to make our hospital a better place.

Whether it's working in our newly renovated gift shop, welcoming guests or visiting with patients, they understand that the essence of healthcare is a caring heart and that neighbors helping neighbors is what we're all about.

Volunteering is a rewarding and enjoyable experience that offers a unique opportunity to enrich one's life while helping others.

Applications are currently being accepted for the most rewarding job in town: WCCCHS Auxiliary volunteers. Call Peggy Morgan Hise today at (585) 786-8940, ext. 4700 to find out how you can join our family of volunteers.
